WORK EXPERIENCE

Substitute Teacher

Fulton County Schools, Ga

Feb 2023 - Present

- Led classroom activities during teacher absences, ensuring productive use of time and reinforcing student engagement.
- Maintained a positive classroom environment, focusing on task-oriented behavior through consistent support.
- Communicated regularly with teachers to align on classroom strategies and student concerns.
- Documented daily classroom activities to provide insights to regular teachers.

Branch Manager Intern

Grainger, Norcross Ga

January 2022 - June
2023

- Utilized PowerBI to monitor and analyze employee performance and branch metrics, presenting findings to management.
- Engaged in one-on-one meetings with senior leadership, including the CEO and CFO, to discuss strategic initiatives.
- Assisted the product team manager with risk management and operational planning.

✦✦✦ Led a Branch Improvement Project, collaborating with various branches and conducting in-depth process evaluations.

Traveled across the state and spoke with interns across the country to find commonalities within core business processes and incongruences when those practices are performed.

Supply Chain Coordinator

Stora Enso, Alpharetta Ga

January 2021 – January
2022

- Ensured efficient supply chain operations, maintaining a 95% quality level through standardized methods.
- Assisted in policy development and process implementation to address customer complaints.
- Managed stock reports and coordinated data flow between sales and accounting teams, ensuring accurate invoicing.
- Analyzed and segmented customer complaints to improve resolution processes and maintain compliance.
- Approved invoices through WPS and SAP, ensuring accuracy and timeliness in billing.
- Participated in market trend analysis, gaining insights into the wood distribution market and its economic drivers.
